

GET_INvolved Programme

What you canb gain from opportunities from
ICO at FAIR/GSI?

Dr. Pradeep Ghosh
Pr.Ghosh@gsi.de

Why International Students are choosing Germany?

Free/affordable education.

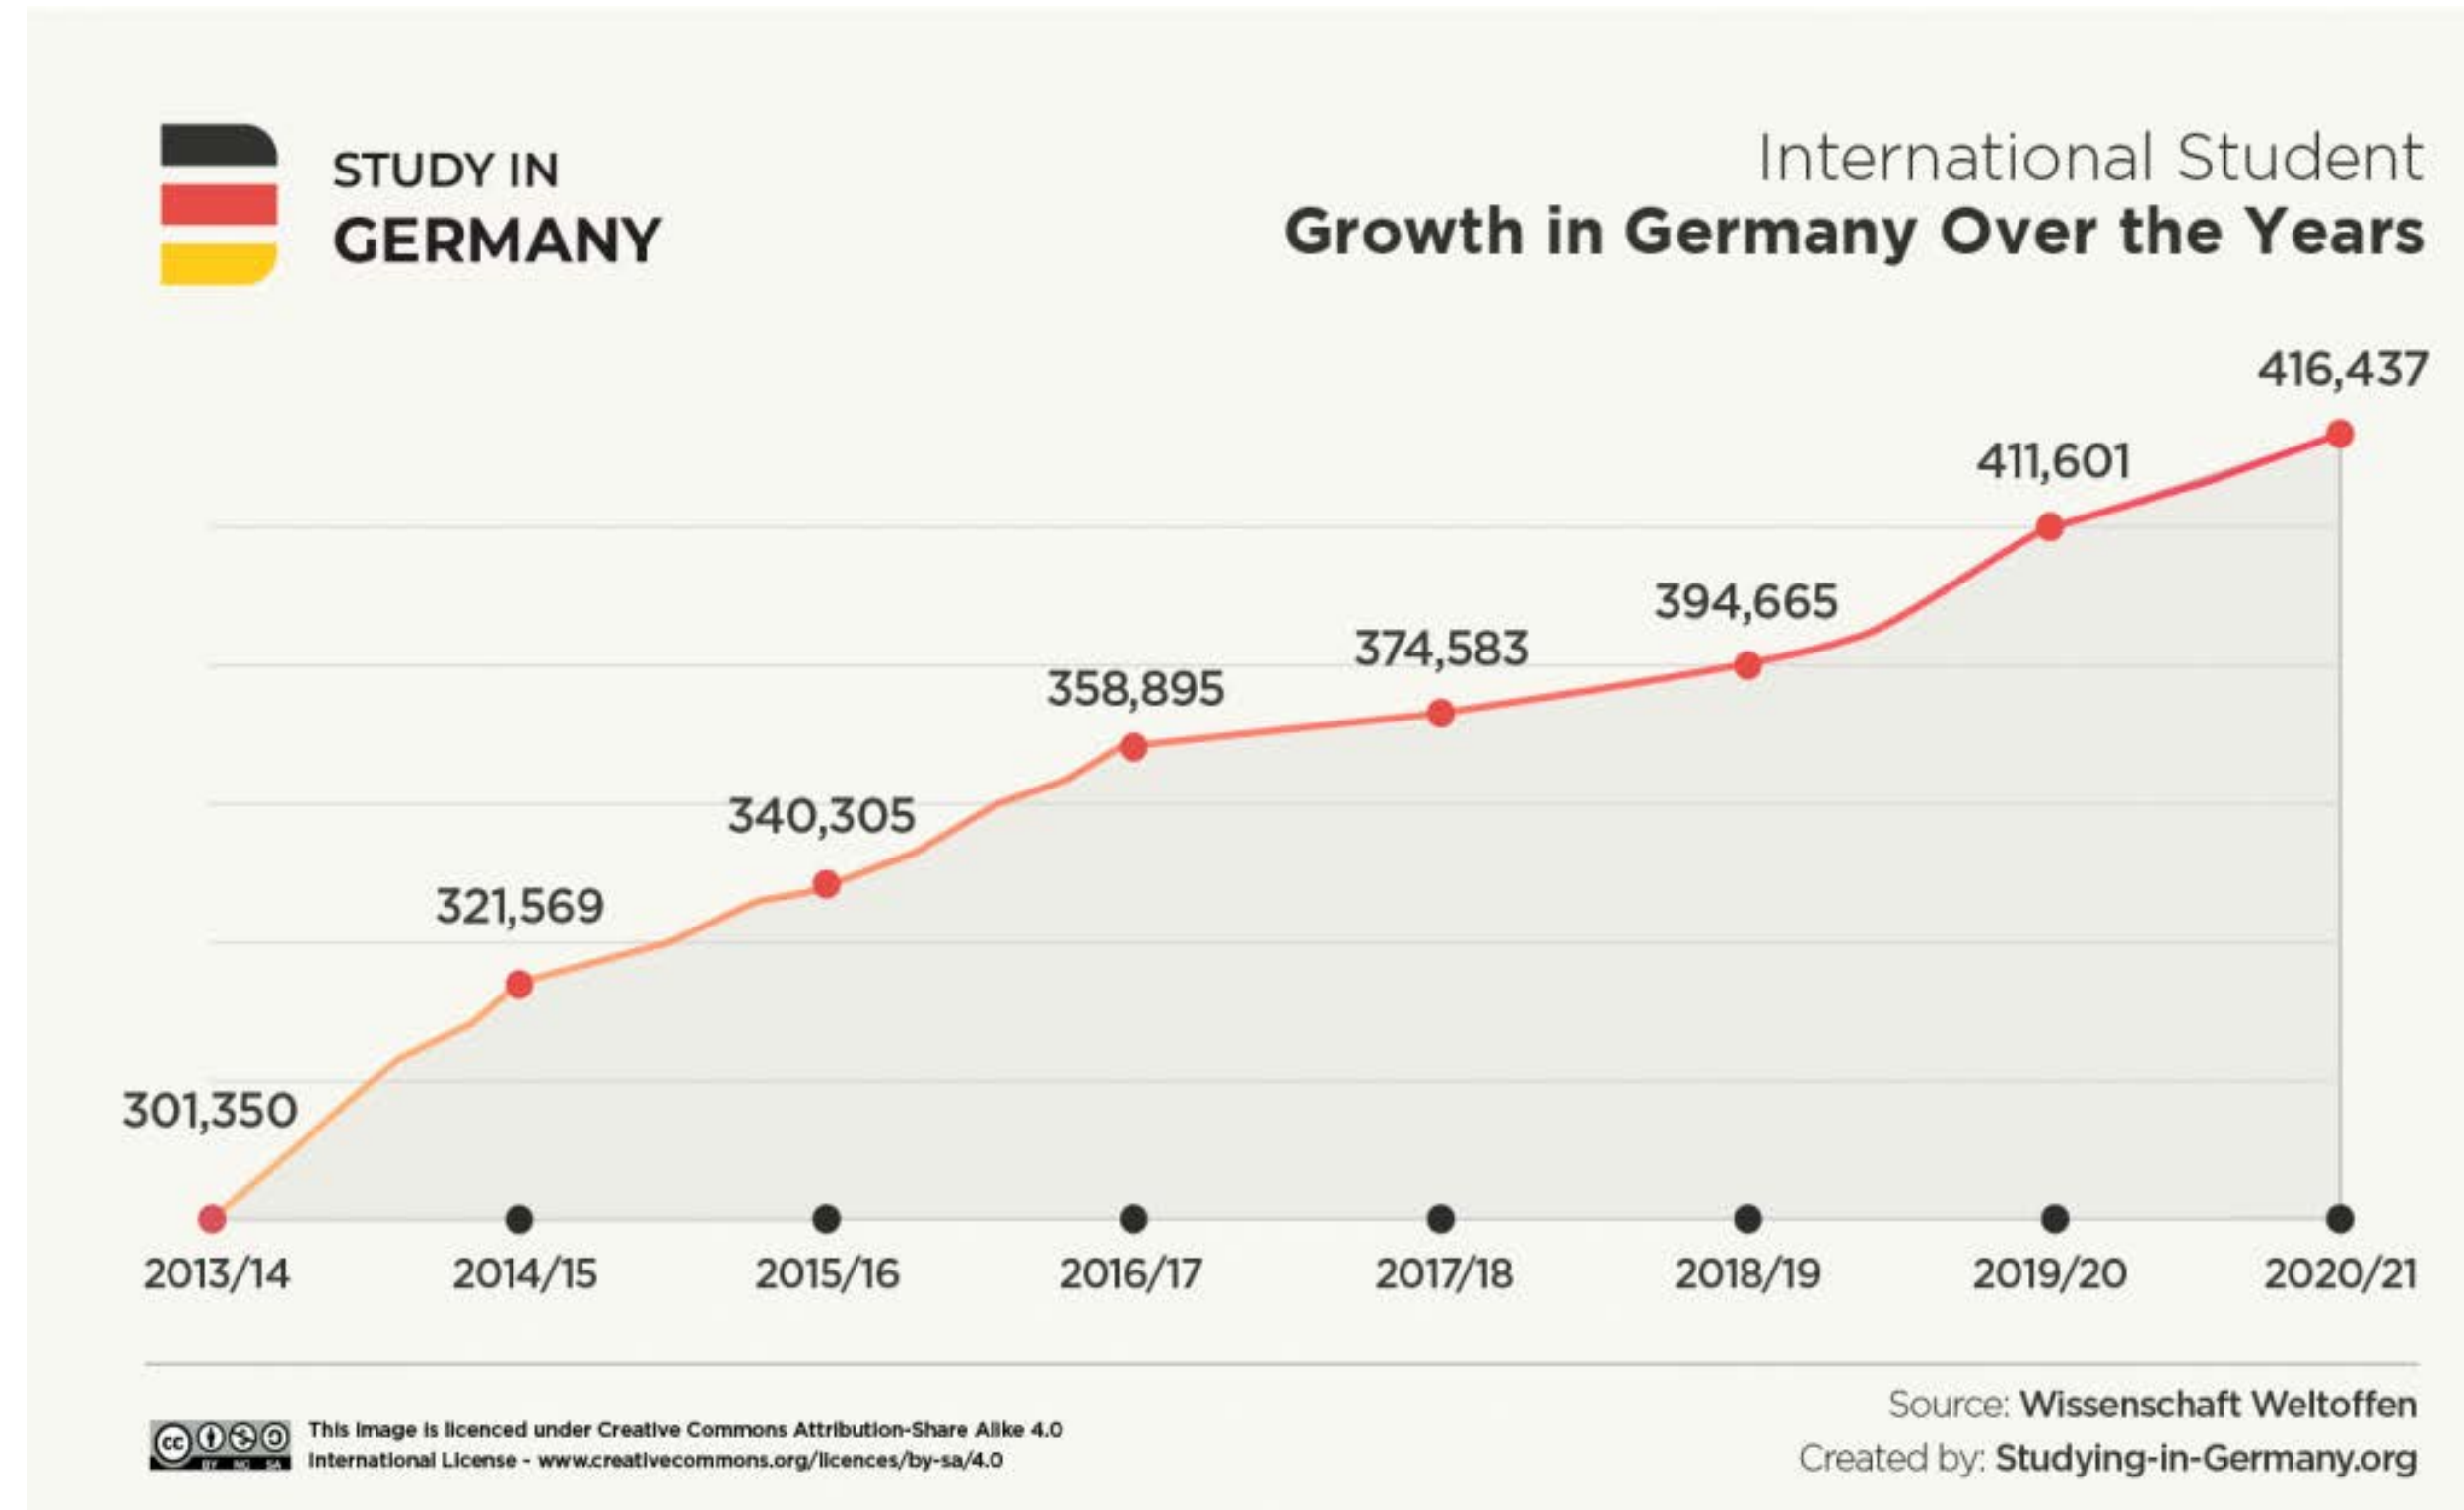

Affordable cost of living.

Excellent higher education system.

Opportunities to work during/after studies.

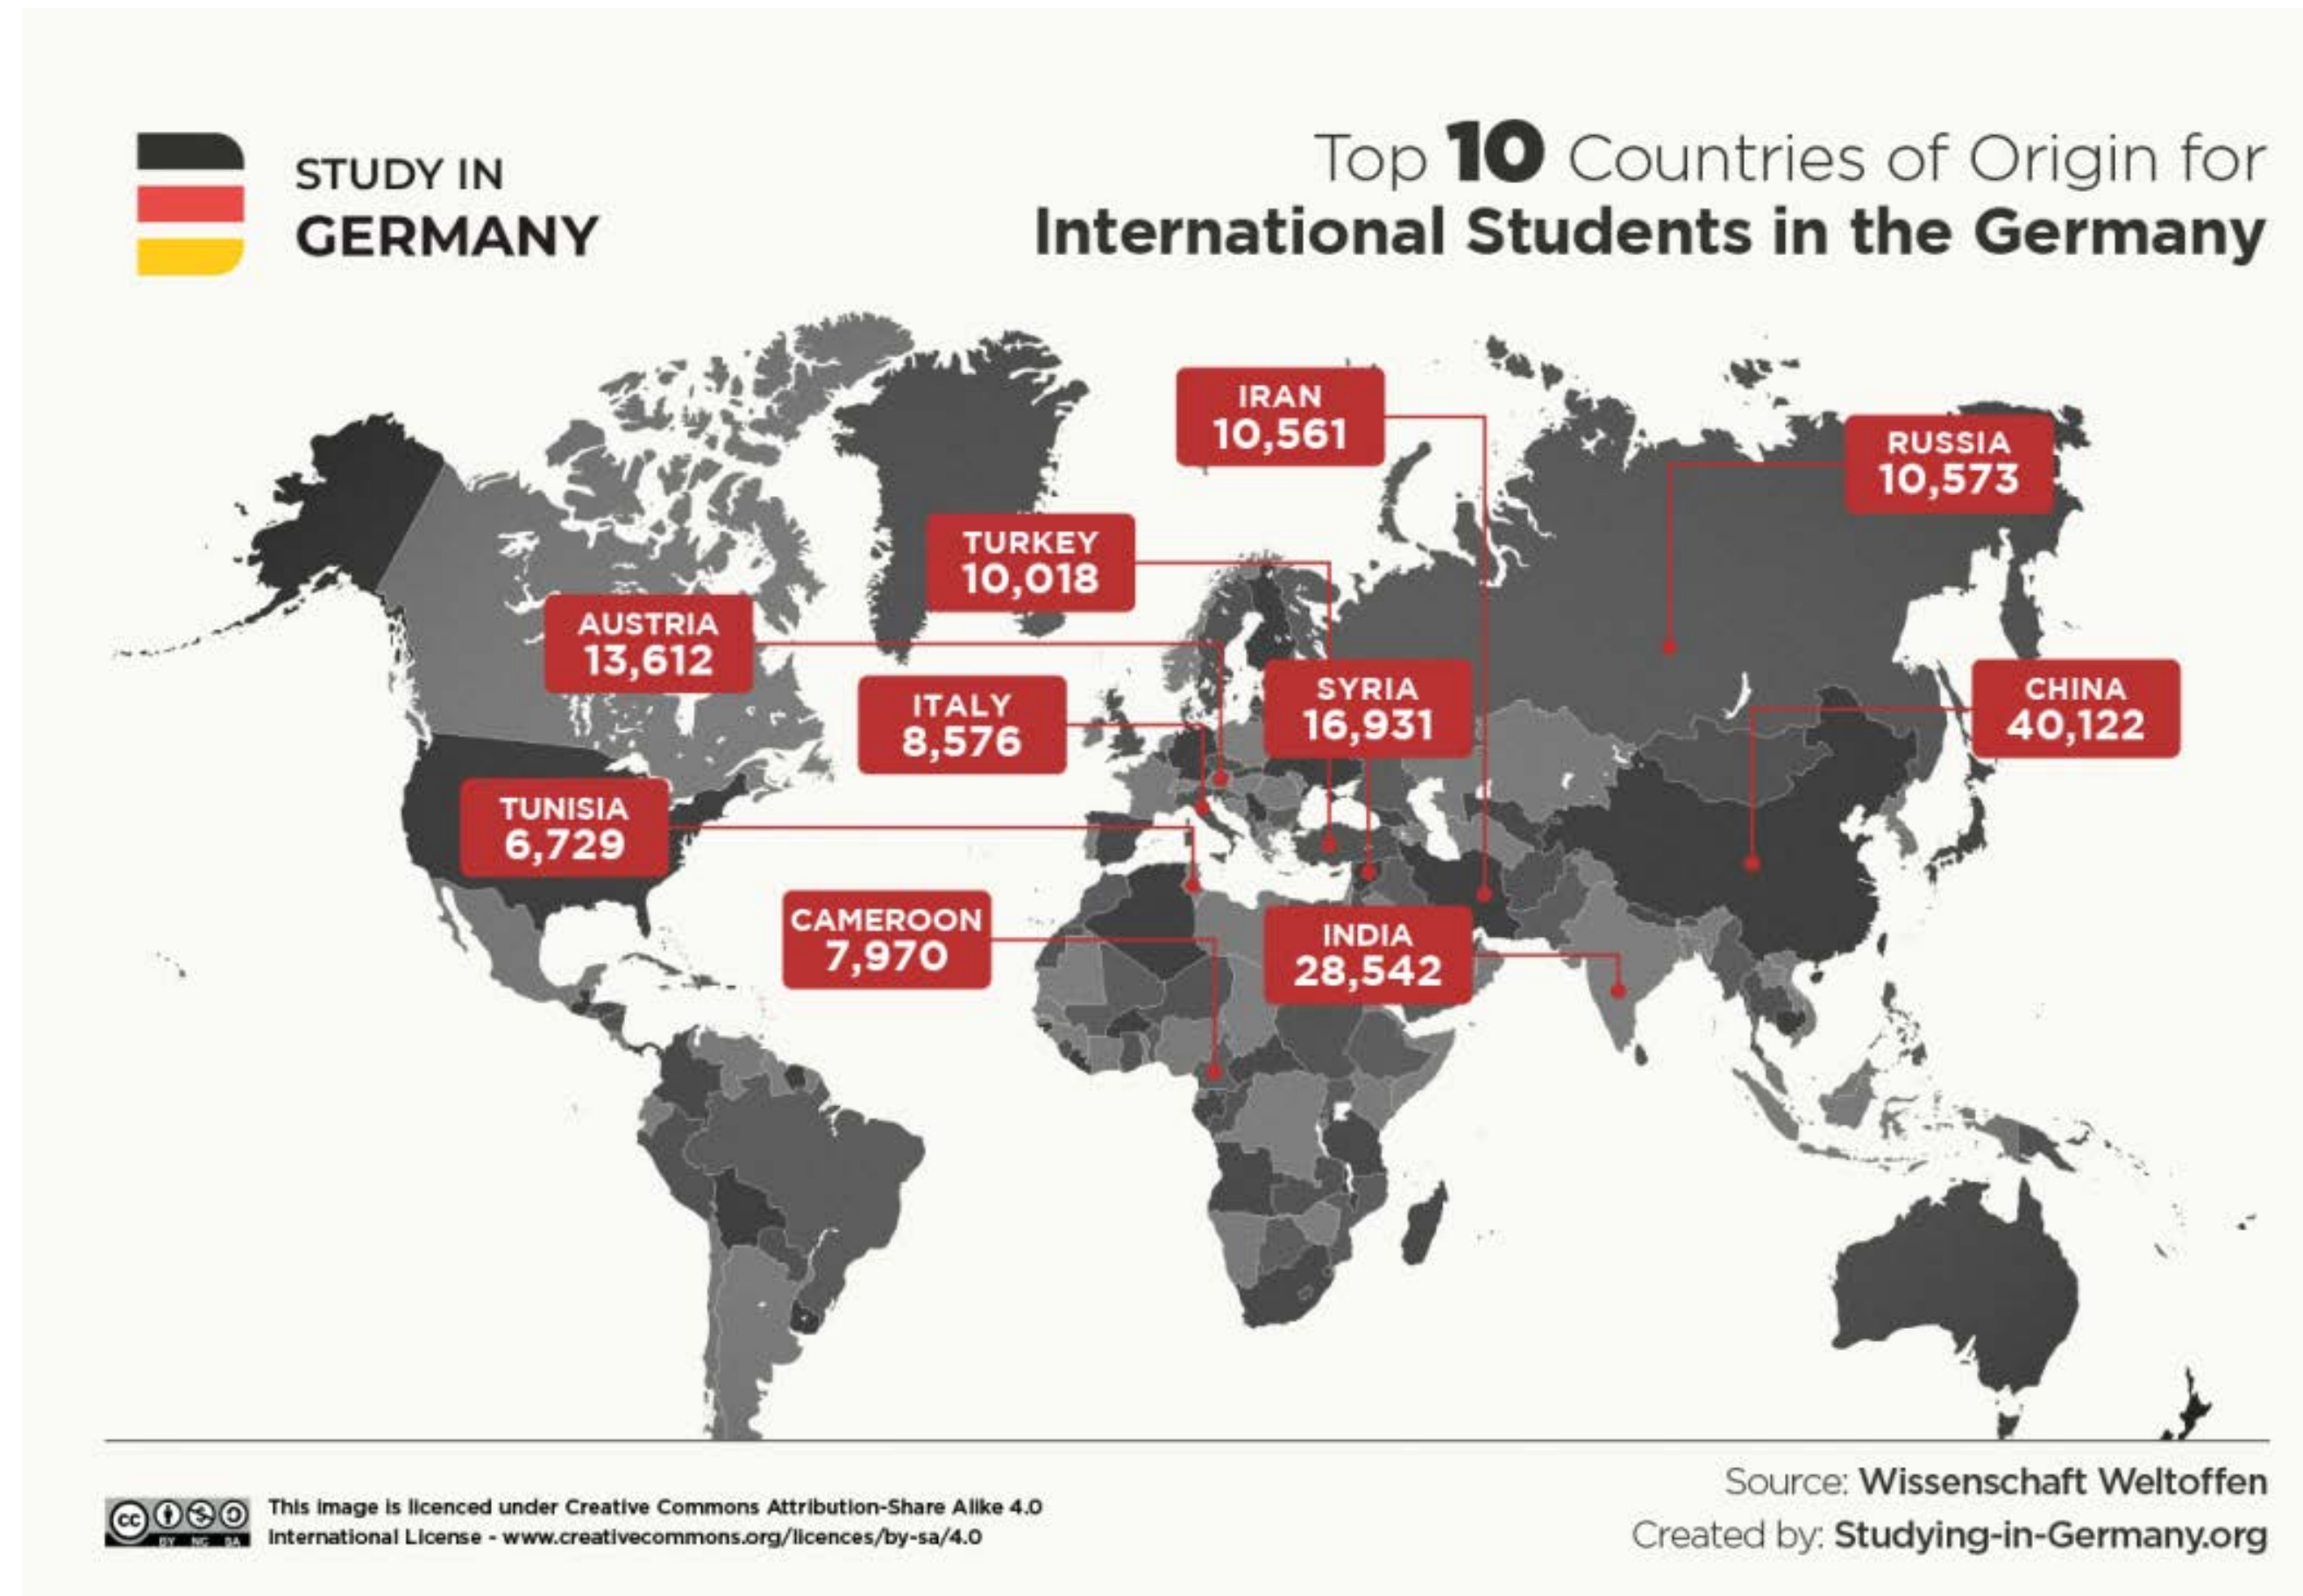

Diverse student population.

Numerous scholarship opportunities.

Where are the International Students coming from?

Most international students at German universities are from the following countries: China, India, Syria, Russia, Austria, Turkey, Iran, Italy, France, Cameroon, Egypt, and Pakistan.

- Offering training opportunities with mobility to university students and early stage researchers
- Creating synergies between collaborating universities and partners of FAIR/GSI
- Building capacities for research groups and partner institutes

About US

The GET_INvolved Programme at FAIR/GSI Darmstadt, Germany, provides international students and early stage researchers with opportunities to perform internships, traineeships and early-stage research experience in order to get involved in the international FAIR accelerator project while receiving scientific and technical training.

DISCOVER. CONNECT. GET_INVOLVED!

Strategy 2017-2026

BRIDGE

BRinge research and technical **D**epartments closer to younger **GE**neration.

STEPIN

Stimulate existing collaborators to enter in meaning **P**artnerships with **GET_IN**volved Programme

PRIME

PRomote **I**nitiatives in **M**ember states (shareholders) to **E**ngage them into **GET_IN**volved Programme with seed funds for research

GET_INvolved Programme

Working Together with the research and Technical Groups in evaluating their needs and building partnerships based on requirements

Identification

of key partners or country of focus

Training

finding the stakeholders in proposed Programme

negotiation

Based on the level of commitment from internal and external stakeholders a contract is negotiated

agreement

a bi(multi)lateral contract is agreed to implement the planned idea of research and training

Opportunities from International Cooperation Unit

The ICO Unit works together with the guidance of key stakeholders in providing support in providing opportunities for outreach at strategic events/Fairs , Exchange of knowledge with Mobility (for young researchers), Training and Internships and building a meaningful partnerships

Outreach about FAIR

Exchange with Mobility

Strategic Partnerships

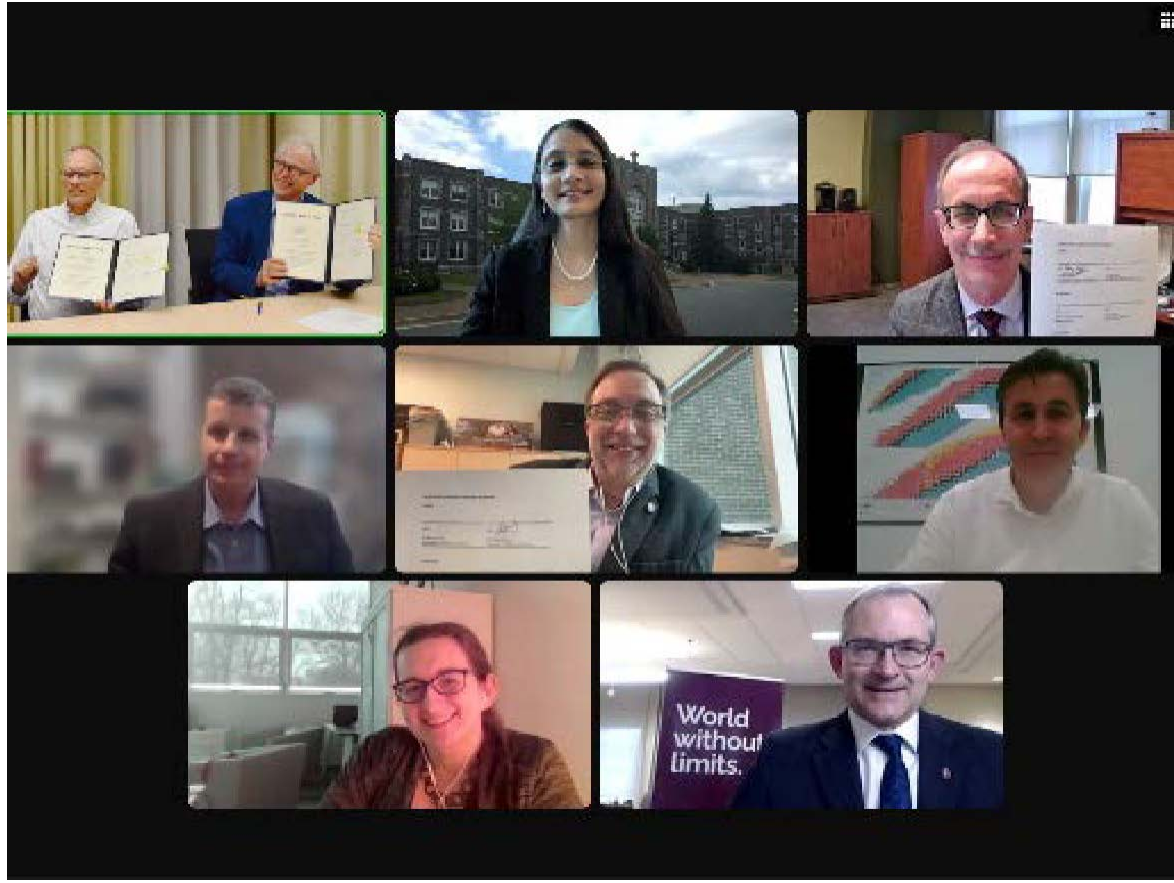

**Dissemination of
Information at

GET_Involved Programme
Status Q3 2022

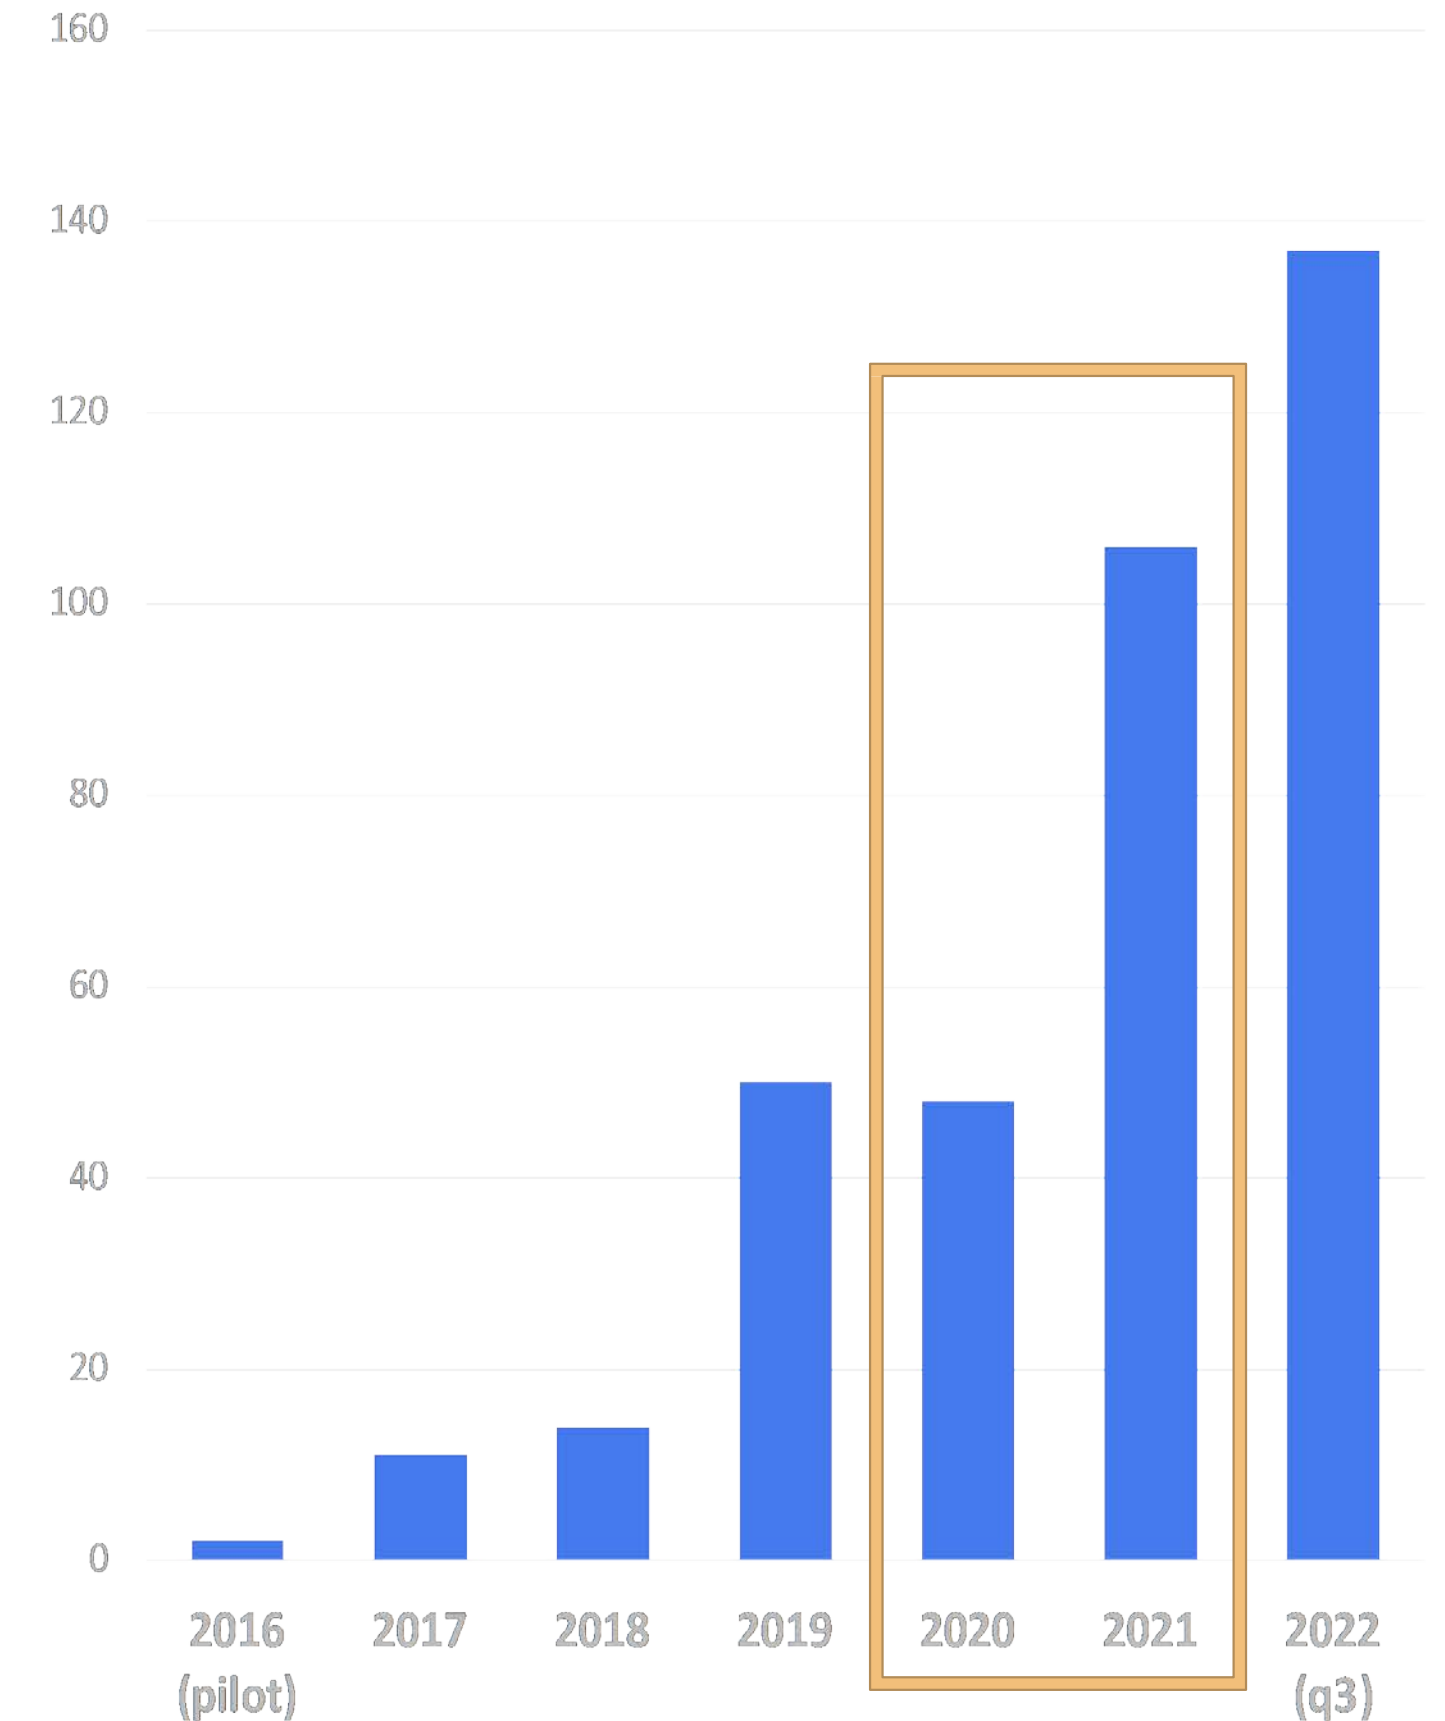

Figure: Year-wise intake of participants in GET_INvolved programme. [data 30.09.2022]

A woman with brown hair tied back, wearing a light blue and white striped shirt, is shown in profile from the chest up, looking towards the right. To her right is a large, light blue speech bubble with a white outline. Inside the speech bubble, the text "What's in it for me?" is written in a dark blue, sans-serif font. The background is a solid, medium blue color.

What's in it for me?

Opportunities

All Programme and opportunities are broken down into these legal framework tools developed together with the Legal and HR.

The PROCESSING time has been reduced by 90% for Traineeships and up to 50% for Researchscholarships

Internships

for enrolled students in Bachelors/Masters degree in science and engineering

Traineeships

for students from European Union having a Masters degree in science and engineering.

Research Experience

for enrolled PhD students or recent doctorates (postdocs) or equivalent with focus on FAIR/GSI research.

GET_INvolved Programme

INTERNSHIP

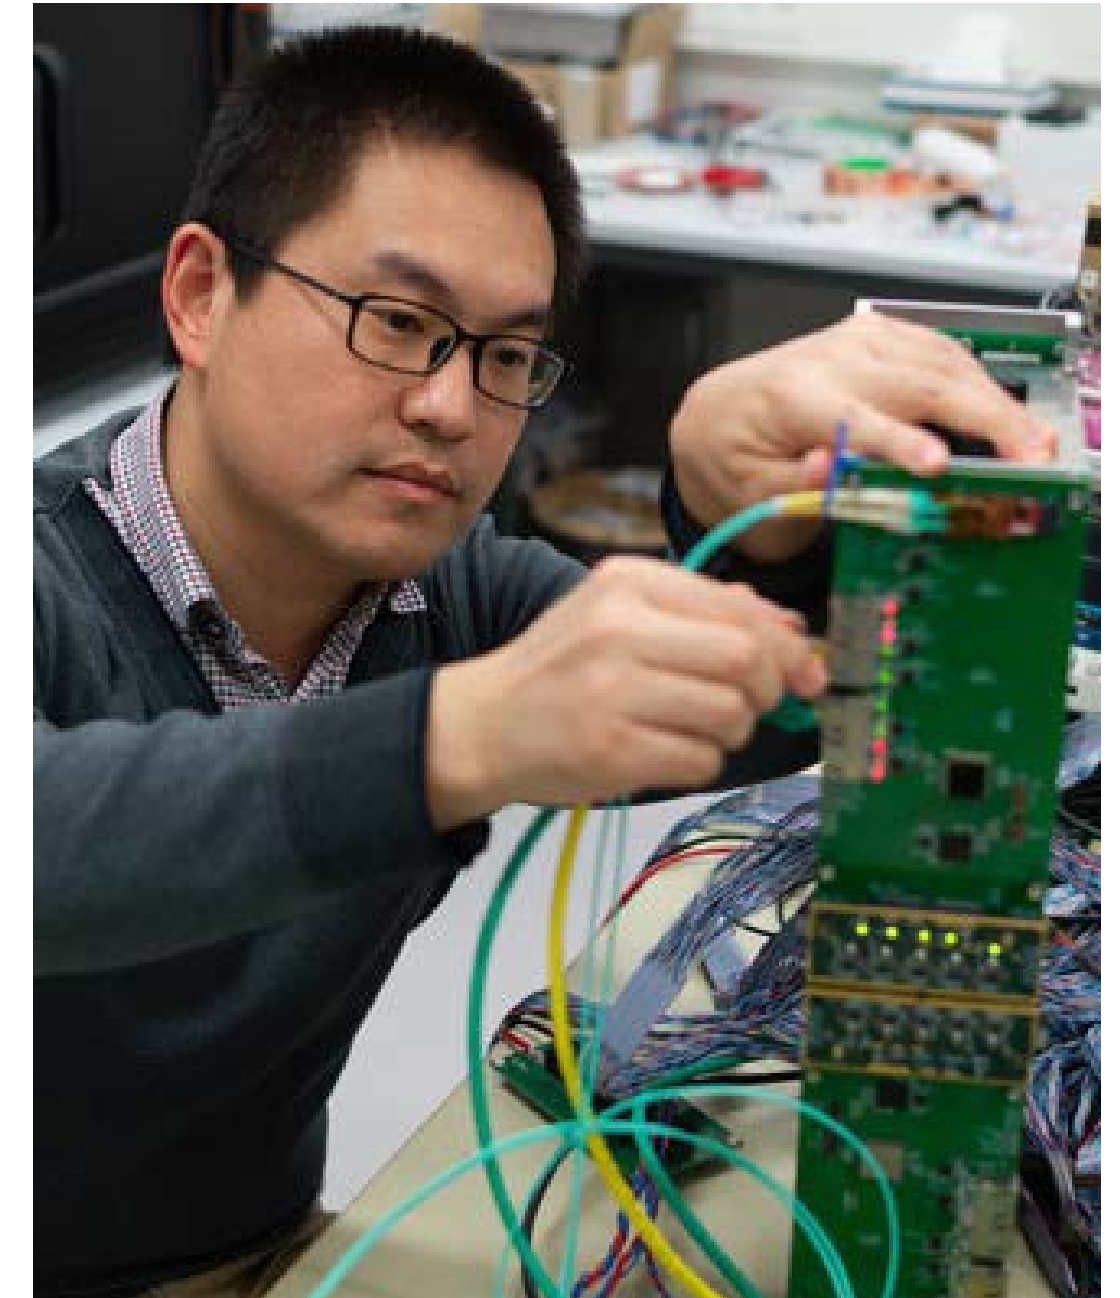

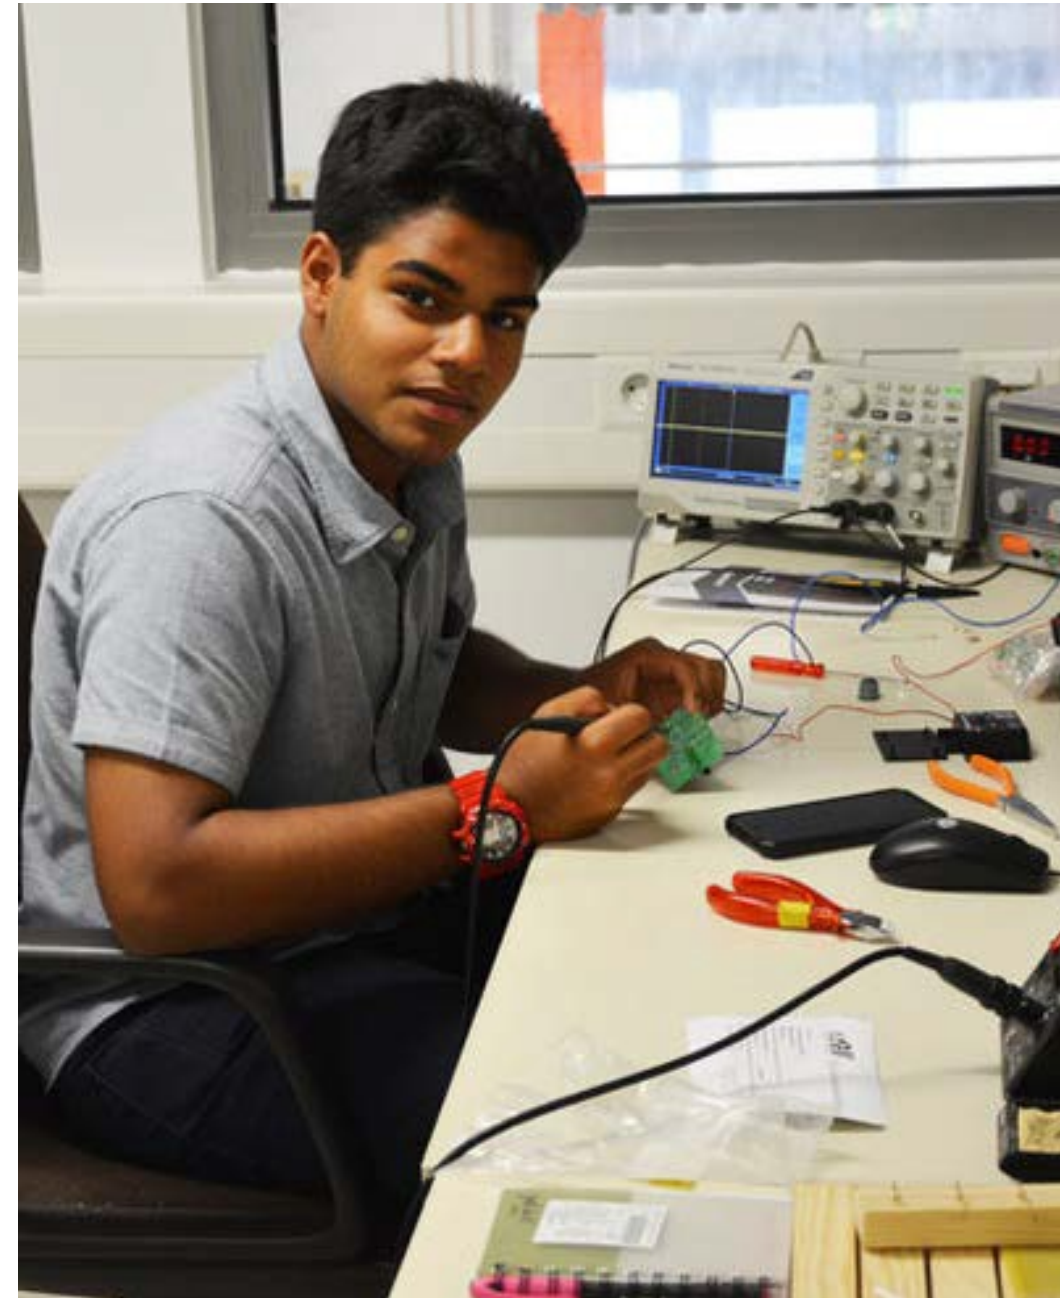

Ideal for undergraduate and graduate students looking for improving their skills and having an internship in between their semester or for a dedicated semester to perform a thesis/dissertation.

Eligibility: Bachelor/Master students

Duration: 2-6 months

Funding: Yes

Application: application portal anytime

Bachelor Students (in 5th semester or above)
For Partner funded Programme please refer to our webpage or consult us via email.

www.fair-center.eu/GET_INvolved

GET_INvolved Programme

TRAINEESHIP

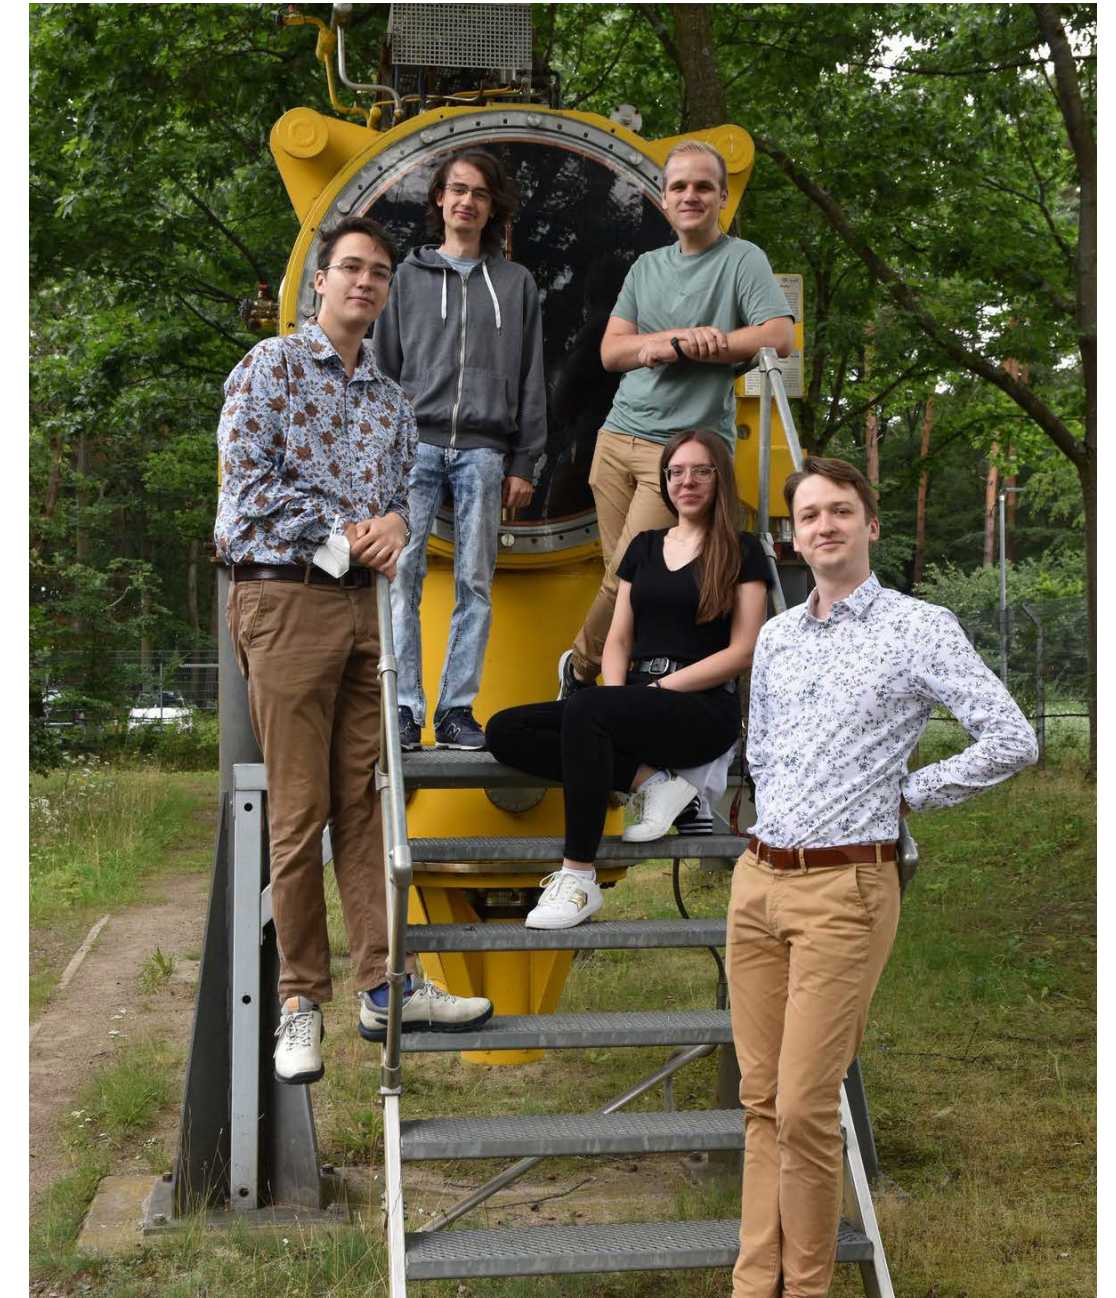

Ideal for undergraduate and graduate students (doctoral researcher also eligible) looking for improving their skills and having a traineeship abroad during their semester break or for a dedicated project in connection with in their curriculum.

Eligibility: Bachelor/Master/ PhD students.

Duration: 2-12 months

Funding: Yes, partly via Erasmus+

Application: application portal anytime

For Partner funded programme please refer to our webpage or consult us via email.

Industry Sponsored Programme

Sci. /Tech. Assistant Programme

Key Message

Programme has grown 119% w.r.t. 2022. The focus now is to nurture our partnerships and partners to build capacity for the future operation of FAIR.

We are extremely delighted to support engaging more students and researchers through diverse Programme in the portfolio of GET_INVolved Programme.
