SN2025gw Symposium - bulletin #2

19 July 2025

Dear Participants,

We are a day away from our SN2025gw Symposium! We are extremely happy you attend.
https://indico2.fuw.edu.pl/event/17/overview

- **Start**: we will begin on Monday at 8:45am (not 8:50am). The Vice-Rector of the University of Warsaw, prof. Zygmunt Lalak, and the Vice-Dean of the Faculty of Physics, prof. Krzysztof Turzyński, will open the Symposium.
- **The venue**: Ludwika Pasteura 5, Room 0.06, see the attached map.
- **Registration**: It starts at 8:00 at the entrance, see the attached map for the location. Please come early, as there may be a large line of people. We do not want you to miss the Symposium beginning and any bit of the first lecture!
- **Marie Skłodowska-Curie Museum visit**: the tour will be on Wednesday 3pm - 5pm. You will be asked if you want to attend the tour during the registration. The tour includes a special presentation for scientists and a walk in the Old Town.
- **Wifi**: The eduroam and „FUW Open" (no password) networks are available at the venue
- **Slides**: Please upload them to indico, otherwise send them to sn2025gw@fuw.edu.pl. For presenting, you can: (1) share them on zoom (preferred), (2) use the local computer, or (3) connect your own laptop.
- **Talks recording**: We would like to record all the talks and post them publicly. Please tell us if you do not want to be recorded.
- **Posters**: there are many locations in Warsaw where you can print posters. The closest place is in the Biology Department (100m away), UNIPOSTER, open hours are 10-15, paid with cash and blik (no cards). Please send a summary slide to sn2025gw@fuw.edu.pl for your poster sparkler presentation.
- **Lunches**: the practical information about places where you can eat will be provided at 12:30pm, right before the lunch break.

If you have any questions, please let us know!

Best regards,
Marek Szczepańczyk on behalf of the organizing committee
(Tony Mezzacappa, Marco Cavaglia, Jade Powell, Marek Szczepańczyk, and Adam Szereszewski)
