

# Influxdb for monitoring ?

François Legrand

Maybe we should use **influxdb** for monitoring ?

Influxdb :

- Database specialized in time series
- Easy to setup
- Easy to use
- Chronograf to display data
- Can be shipped in a docker environnement
- Need to see if applicable for Grand
  - Version :
    - OpenSource (V1 V2)
    - Commercial (V3)
  - Volume of data
  - Perfs
  - Retention policy
  - Demo (V2)
