

# School of General Relativity, Astrophysics and Cosmology

## Wednesday, 26 July 2023

### Conformal and related techniques for applications in GR - Lecture hall 0.06 (11:20 - 13:20)

-Conveners: Rod Gover

time	[id] title	presenter
11:20	[29] Conformal and related techniques for applications in GR, part I	GOVER, Rod
12:20	[30] Conformal and related techniques for applications in GR, part II	GOVER, Rod

# Thursday, 27 July 2023

## Conformal and related techniques for applications in GR - Lecture hall 0.06 (09:00 - 11:00)

-Conveners: Rod Gover

time	[id] title	presenter
09:00	[31] Conformal and related techniques for applications in GR, part III	GOVER, Rod
10:00	[32] Conformal and related techniques for applications in GR, part IV	GOVER, Rod

# Friday, 28 July 2023

## Conformal and related techniques for applications in GR - Lecture hall 0.06 (09:00 - 11:00)

-Conveners: Rod Gover

time	[id] title	presenter
09:00	[33] Conformal and related techniques for applications in GR, part V	GOVER, Rod
10:00	[34] Conformal and related techniques for applications in GR, part VI	GOVER, Rod
